

SSi Open Water Diver Class FAQ's and Requirements

- 1. What do I need to be ready for the class?** You are required to have your own Mask, Snorkel, Fins, and Neoprene Booties. These items are covered in the course package price. During your orientation we will sign you up for class and help you select the equipment that works the best for you. You will need a pen and pencil along with your dive log and book for each session of the class. During the pool session you will want a swimming suit and a towel in addition to your snorkeling system.
- 2. What if I already own my own snorkel equipment?** You may use it, if you purchased it from Steamboat's Skin & Scuba the course cost is \$495 plus tax .
- 3. Can I use my own scuba equipment?** Yes, as long as it has been serviced by us within the last year. If you purchase gear from Steamboat, we strongly recommend training in it. You are able to try any dive equipment you are interested in purchasing during your pool sessions at no cost. It is important that your equipment fit well and be of good quality.
- 4. How hard is the class?** We need you to demonstrate water workmanship skills, this includes a 200 yard swim and treading water for 10 minutes. Our Open Water Diver course is designed to be easy as possible.
- 5. How much will it cost to rent dive gear once I am certified?** It depends on exactly what you need, most daily rentals with 2 tanks runs approximately \$80.
- 6. Are there any hidden cost?** No, from classroom, pool, to all your open water check dives are covered.
- 7. What is included in the package?** For \$895 we included your training record, zippered dive log book, on-line training, Advanced Open Water Instructors, unlimited pool time, 5 open water check dives, boat, fuel, transportation from Steamboat's to Lake Oahe and back, regulator, BC, gauges, tanks, weights, air fills, Certification card, and tax.. Also included in the course you get any mask, snorkel, boots, any fins that you pick out, shorty wetsuit(or credit toward a full suit) and a mesh bag to keep it all in. You keep the mask, snorkel, fins, boots, wetsuit and carrying bag.
